CAN IT BE DELAYED UNTIL 1914?

Seventeen years ago people said, concerning the time features presented in MILLENNIAL DAWN, They seem reasonable in many respects, but surely no such radical changes could occur between now and the close of 1914: if you had proved that they would come about in a century or two, it would seem much more probable.

What changes have since occurred, and what velocity is gained daily!

"The old is quickly passing, and the new is coming in."

Now, in view of recent labor troubles and threatened anarchy, our readers are writing to know if there may not be a mistake in the 1914 date. They say that they do not see how present conditions can hold out so long under the strain.

We see no reason for changing the figures—nor could we change them if we would. They are, we believe, God's dates, not ours. But bear in mind that the end of 1914 is not the date for the *beginning*, but for the *end* of the time of trouble. We see no reason for changing from our opinion expressed in the View presented in the WATCH TOWER of Jan. 15, '92. We advise that it be read again.

TRACT NO. 21.—DO YOU KNOW?

We published one hundred and fifteen thousand copies of this tract, and have sent samples to all our Tower readers. It seems to give general satisfaction, and orders from all quarters are large. We advise the circulation of this tract by all of you—on street cars, street cars, at hotels and dens, and Sundays on the street-corners,—until everyone within your reach has been supplied. Order all that you will *agree to use*. Never mind the money. Many have opportunity for distributing sample copies of Old Theology Tracts who have no money to spare to pay for their printing, etc., but others, again, who have less opportunity for distributing tracts, take delight in meeting the

publishing expenses, and thus help to preach the "good tidings of great joy, which shall be unto all people."

The first edition, although large, is already exhausted; but we have another edition of over two hundred thousand under way which will be ready in about ten days. Send in your order and have a share in this feature of the harvest work. There should be a million copies of this tract in circulation within a year.
